

# Medisoft Academy Registration

Medisoft is part of the Heidelberg Engineering group. The Medisoft Academy is held within the Heidelberg Engineering Business Lounge, which contains the Academy along with a range of Heidelberg Engineering product information and services. To access Medisoft content, you simply need to register for a business lounge account.

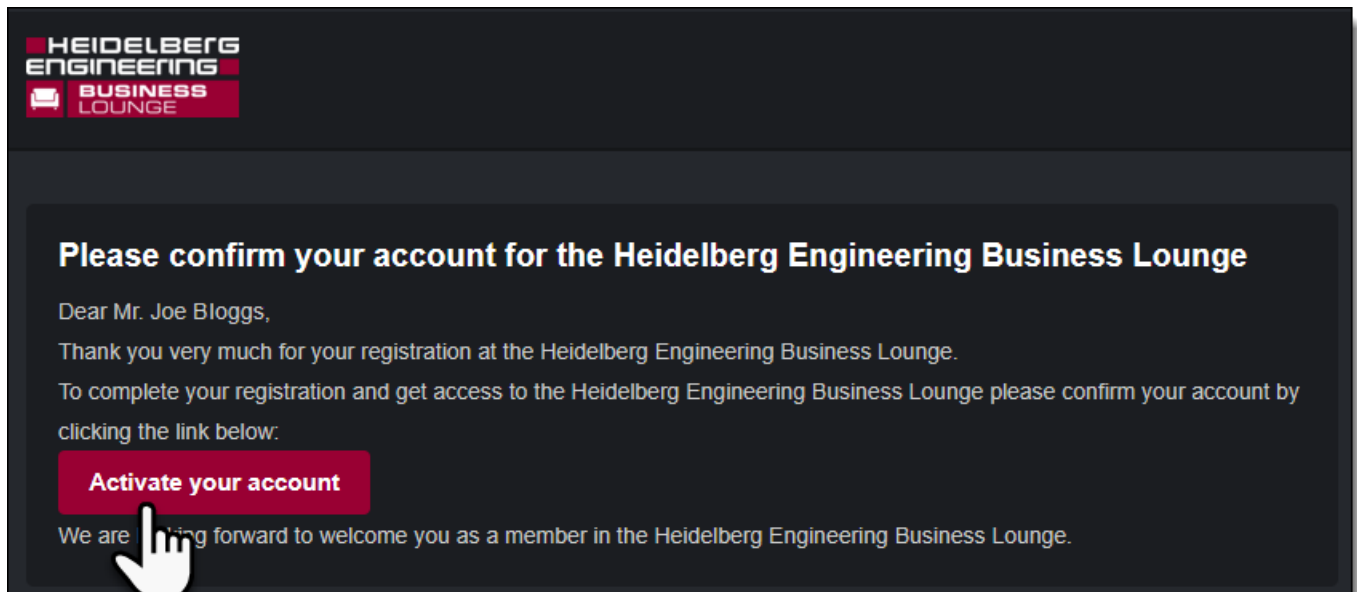

1. In a web browser, navigate to <https://business-lounge.heidelbergengineering.com/gb/en/>.
2. Click **Sign in**.

3. Click **CREATE YOUR ACCOUNT HERE**.

4. Complete the registration form and then click **REGISTER NOW**.  
You will then receive a confirmation email from [business-lounge@heidelbergengineering.com](mailto:business-lounge@heidelbergengineering.com).
5. Open the email and click **Activate your account**.

Your account is then activated, granting full access to Medisoft training material.

If you are also a Heidelberg Engineering customer, you can verify your customer status allowing you to also access Heidelberg Engineering content (for example, training courses on the SPECTRALIS system). You do not need to verify if you only need to access Medisoft content.
